Introduction:

We all must awaken those people who don't get the real news - or know what's really going on with this 'virus' threat, vaccines, crashed economy and millions of jobs lost and counting through further Lock Downs of the economy (Great Reset) and people's freedom and rights are being crushed under a well planned out plandemic in advance. Its been many years in the making and the evidence and time-lines are shown throughout the documents I've put together as a great resource tool to educate one's self or others who are still asleep to this agenda 21-30 plandemic.

...Absolute treasonous crimes are being committed against humanity right now, every day of the week under the Covid lockdown agenda of 'The New Norm.' Each month that goes by is a ticking-time bomb - that will end to our way of life, work, jobs and freedoms....

Most people I know do understand much of what's going on - but understandably many people of the population just don't see the whole picture of this 'virus plandemic' or the multi-layers of the Covid-19: The Great Reset agenda 2021-30 they are throwing at us. Because mainstream news MSM controls the medium and the message and the narrative propaganda lies that they repeat each day...

There are so many parts to this Global covid agenda but most people are only focused on the virus and the treat of it told by all their MSM news, governments and health officials who keep driving the fear of this virus and lockdowns and all based on the faulty PCR covid test cases (false-positives ct cycles set to high) ....yet, there are few actual covid recorded deaths and most are pre-existing conditions so there is no pandemic at under 3% deaths. And now the CDC reports on record that the 2020 Flu season cases have dropped down to 97% cases... Wow, it seems that Covid has cured the yearly common Flu?

This Covid virus (Sars-CornaVirus-2) is a manmade bio-lab Virus that has crashed the markets and economy in the world all under a fake pandemic emergency. To see March 2020 when all sectors of government, health and corporation partnerships instantly became all "Lock Step" together with the covid-19 agenda; which the World Economic Forum coined 'The Covid-19: The Great Reset' for new world governance, economy, control of people, population management and resources.

The Great Reset is a Corporate Communism takeover of our nations | The Great Reset 2021

Learning about the policies of UN Agenda 21 since the mid 90's; its policies on sustainable management of the environment and resources but then later learning about their real hidden agenda which actually is the sustainable management of people, depopulations and under UN central control over sovereign nations and its economies.

The March 2020 Covid-19: The Great Reset is just the next activation level of their continual Globalist UN Agenda 2021-30 pandemic towards their 2030 grand plan.

Knowing this ... I couldn't just sit here and not say something or do something. I needed to educate myself more on the virus and vaccines from real experts on these matters; top experts not the agenda MSM news and government and health spokes persons who are all in Lock Step with the agenda.

I am so grateful to the experts, intel reporters and people who are standing up and speaking out about this pandemic - with truth and real evidence and expert knowledge...They are the Collective WE wisdom who are educating us about all the facts around this manmade bio-weapon virus, vaccination program and Covid Reset pandemic agenda.

I was compelled to 'do my part' and collect as much important research and resources that could cover most of the A-Z on these matters behind the virus, preventive health care, Covid vaccines and the virus in the vaccine stuff. The lockdown & mask and Global Reset agenda.

Then in the P2 document - who started this madness on humanity; Zionist CIA & CCP partners, Canada's part in the UN Covid agenda, And connections with the CCP and Soros control in Canada: a fallen 'post nation' state.

These research documents I hope will be helpful to everyone and can be shared with others, family, friends, associations, reporters and intel awaken folk who can further awaken other sleeping lions and sheeple.

These collected resources of WE will educate anyone with much better critical thinking and wisdom on these critical matters - and abling them to talk or share with others; as well as to their doctor, lawyer, local government representative who need to be informed or put on notice and held accountable for their actions against our communities - if they continue going forward with their Global Covid vaccine ID and Economic Reset (Debt Reset Program).

I prepared 5 documents listed below - index with sub categories - followed by a Summary: of each of the first 2 documents P1 and P2; categories and 'Headlines,' contents or important points of interest.

## **P1- Prevent Virus Vaccines Testing Mask...etc - Covid UN Lockdown Agenda**

### **Introduction: Virus immunity Bio-weapon virus's and vaccines**

Corona -Virus's have been around since the beginning of humanity that help build stronger immunity from sickness and virus's for the greater part of the populations. But the present Covid-19 Virus they call it is actually a manmade bio-weapon lab creation called SARS-CoronaVirus-2.

Many experts have now spoken out and proven like SARS-1 that was created in a bio-lab, SARS-2 + HIV RNA genomes proteins have been spliced onto a CoronaVirus creating a new retro-virus. Meaning they have created a new animal-human 'gain of function' dirty RNA retro-virus and unleashed it onto the world (key places).

Re: Professor Delores Cahill: Why People will start dying a few months after first MRNA Vaccination!

The Globalist create the Problem, Reaction, Solution and they have us by the tail and now they want to give us the world populations their mRNA animal - aborted fetal tissue nano vaccines. This is complete madness.

Vaccines are not safe or have they ever or will they ever be safe...Vaccines are actually the problem that create most of our modern the virus's, sickness, cancers, harming children and death from their different manmade lab vaccines.

Its been proven now that the Spanish Flu of 1917-19, 100 years ago that killed 50-60 million people was the cause of the Rockefeller vaccines given to people as will be pointed out. HIV, EBOLA, H1N1, SARS, MERS and SARS-2 were all created in P3-4 bio-weapon labs.

The right way of 'vaccination' is what was used before the mid 1980's where people would get therapeutic antibody shots for different virus's or infections. Therapeutic antibodies extracted (modern-extracting method from plasma blood of a healthy person who has gained the antibodies. Therapeutic shots for vaccinations. Not vaccines made by Bigs Pharma.

This is the way flu shots should be done VS Pharma crony science and harmful 'vaccines' that by-passed being tested on animals first and just rushed out in 8-10 months with no real test or proper studies or will they get important long term data over 3-5 yrs. on the effects of the vaccines The populations are being fast-tracked and used as guinea pigs...but its worse than that!

Their vaccines will never build immunity in a person as they falsely claim their new covid vaccines with create 'herd immunity' if 70% of the people get their shots - this is complete nonsense. Crony science - scrapping a 100 years of known real 'herd immunity' science!

Their vaccines with metals, plastics, animal tissues and fetal tissue when shot into the arm by-passes the immune system and goes into your blood stream and directly to your vital organs and no place for the body to detox from the manmade poisons that are in their vaccines. Madness!

If you what to see predictive programing for a future pandemic event this should say it all.

The Globalist plan well in advance:

The 2012 London Summer Olympic Games: Opening entertainment 'virus health pandemic' show

This SARS-2 CoronaVirus has killed no more than 3% of the world population in 2020.

The yearly flu's virus(s) kill about 2% of the world population. To call it a world pandemic you need 7% death rate....so there is no world pandemic.

Preventative

Its important people know that 97+% of the population should not be worried of dying from this manmade virus...but its important to stay healthy and build one's immune system - Gut that controls the brain which the brain controls everything.

Build up one's immune system with the right gut flora and nutrient, vitamins, fatty acids that will allow you to fight off any flu, virus, illness or from their manmade covid virus's or vaccines.

The first section shares important references and links for preventative health care steps to build healthy immunity to fight off their SARS-covid-20 virus or their second wave of virus cases that come because those who took the new covid vaccine will be the new covid cases and deaths?

- Ontario: Corona Virus (Covid-19) Quarantine Laws - Civil Liberty Issues
- COVID-19: Can they do that? Part I: Ontario's Emergency Management & Civil Protection Act
- Focus and Fear (Covid-19): Why has Canada been forced into lockdown?
- Ontario's new COVID-19 bill (195) is an assault on our rights
- Emergency orders may only be made during an emergency. What conditions constitute a state of emergency are high - defined under the *Emergency Measures and Civil Protection Act* (EMPCA)
- If the Ontario government is now (July) in the province is no longer in a state of emergency, why are the orders that were issued under the emergency continuing under Bill 195?
- Bill 195 Act - on July 7 2020 - was to end the state of emergency, which declared on March 17. But it would simultaneously continue a number of existing emergency orders.
- These orders no longer need renewed every 14 days, could remain in place up until June 2022.
- A state of emergency also requires the government's normally available resources (including legislation) may not be reliable or may be insufficient. The cabinet has the power to make a wide range of orders, and can even override and re-write certain legislation on a temporary basis

- Constitutional experts are concerned - has described the legislation as a “power grab.”
- Proposed legislation, restrictions on size of gatherings, or orders that keep businesses closed & override collective agreements for redeployment of workers, are all extended & can even be amended.
- Orders allowing the sharing of personal health information and which allow for police to demand identification (carding) are also extended, but cannot be amended.
- COVID-19 pandemic no longer constitutes an emergency — at least as that word is defined in the EMPCA — it becomes harder to justify orders that directly conflict with constitutional right(s)
- Doug Ford gov't won't deny COVID-19 quarantine camps are coming to Ontario
- Apple and Google contact tracing is a dystopian nightmare

- BC Loses its Democracy to - Bill-19 Pandemic Measures
- The BC government has been cited by the Ombudsperson's office for issuing unlawful orders during the pandemic lockdown, & is currently ruling by executive order while the Legislature sits mostly idle
- What most British Columbians don't know—because the mainstream media has failed to report on it —is that the passage of Bill-19 has created an indefinite “state of emergency,” with sweeping powers that are beyond legislative vote or parliamentary debate
- Bill-19, the COVID-19 Related Measures Act, is an addendum to the Emergency Program Act, the latter designed to facilitate faster responses to emergencies such as floods, environmental disasters and wildfires
- The EPA previously required government to abide by a “sunset clause” which limited the state of emergency to 14 days...(Sunset clauses are designed to... limit the capacity of governments to abuse emergency powers.)
- Bill-19 now extends that time frame to one year, with the possibility of the Premier and Cabinet extending the period indefinitely beyond that.
- With the passage of Bill-19, - two specific orders issued under lockdown that went beyond the powers of government. “Orders M098 and M139 are contrary to law because they are not authorized by the governing legislation, the Emergency Program Act,”
- Order M098 “allows tribunals & other statutory decision makers to waive mandatory timelines.
- The order also suspends all mandatory limitation periods & time limits related to civil and family actions in the British Columbia Provincial Court, Supreme Court and Court of Appeal,” leaving one to question how this will affect citizens' pursuit of justice during and after lockdown.
- NYC mayor will send police to “Home or Hotel” of every traveler from UK
- WHO changes definition of “Herd Immunity” to eliminate Pre-COVID consensus
- South Africa Chief Justice Mogoeng is questioning the COVID19 & vaccines
- Canada: COVID-19: Emergency Measures Tracker
- NYS BillA416 Granting Governor authority to 'Detain' NYS for being “A Danger to Public Health”
- Great Reset is corporate communism, and it's coming to America [ applies to Canada even more] Coronavirus has handed the far left crowd a golden ticket for government takeover. Corporations will become the world's policy guides. Corporate elites will take over where governments now serve.

- Covid-19 vaccine manufacturers will be protected from all liability - even though all previous attempts at creating coronavirus vaccines caused harm and never advanced to regulatory approval

- How do we get herd immunity from vaccines.....this is upside down real science?

## 11. Pharmaceuticals Vaccines are harmful and full eugenics

#### 4. Liberals PMO Leak - Global Covid-19 UN agenda ‘Road Map’ for ‘Post’ Canada and Canadians

- The Road Map for Canada - The aim was set out by the PMO Strategic Planning steering committee Nov 2020 - Phase in secondary lock down restrictions on a rolling basis, starting with major metropolitan areas first and expanding outward. Daily new cases of COVID-19 will surge beyond capacity of testing, including increases in COVID related deaths following the same growth curves.
- Dec-Jan 2021 - Rush acquisition of (or construction of) isolation facilities across every province Complete & total secondary lock down (much stricter than first & second rolling phase restrictions
- Q1 2021 Reform & expansion of unemployment program to transition into universal basic income
- February 2021 - Projected COVID-19 mutation and/or co-infection with secondary virus (referred to as COVID-21) leading to a third wave with much higher mortality rate & higher rate of infection.
- Q1 – Q2 2021- Daily new cases of COVID-21 hospitalizations & COVID-19 & COVID-21 related deaths will exceed medical care facilities capacity.
- Q2 2021 - Enhanced lock down restrictions (referred to as Third Lock Down) will be implemented. Full travel restrictions will be imposed (including inter-province and inter-city)
- Mid Q2 2021 - Transitioning of individuals into the universal basic income program
- Late Q2 2021. - Projected supply chain break downs, inventory shortages, large economic instability
- Q3 2020 - Deployment of military personnel into major metropolitan areas as well as all major roadways to establish travel checkpoints. Restrict travel & movement.
- In order to offset what was essentially an economic collapse on a international scale, that the federal government was going to offer Canadians a total debt relief
- How it works: the federal government will offer to eliminate all personal debts (mortgages, loans, credit cards, etc) which all funding will be provided to Canada by the IMF under what will become known as the World Debt Reset program
- In exchange for acceptance of this total debt forgiveness the individual would forfeit ownership of any and all property and assets forever.

- The individual would also have to agree to partake in the COVID-19 and COVID-21 vaccination schedule, which would provide the individual with unrestricted travel & unrestricted living even under a full lock down (through the use of photo identification referred to as Canada's HealthPass).
- All details of the forfeited property and assets will be handled by World Debt Reset program
- 30% of us who questioned the World Debt Reset program, or HealthPass, or vaccination schedule, the answer we got was very troubling.
- We were told it was our duty to make sure we came up with a plan to ensure that would happen. We were told it was in the individuals best interest to participate.
- When several committee members pushed relentlessly to get an answer we were told that those who refused would first live under the lock down restrictions indefinitely.
- And that over a short period of time as more Canadians transitioned into the debt forgiveness program, the ones who refused to participate would be deemed a public safety risk and would be relocated into isolation facilities.
- Once in those facilities they would be given two options, participate in the debt forgiveness program and be released, or stay indefinitely in the isolation facility under the classification of a serious public health risk and have all their assets seized.
- "the whole agenda will move forward no matter who agrees with it or not. That it wont just be Canada but in fact all nations will have similar roadmaps and agendas. That we need to take advantage of the situations before us to promote change on a grander scale for the betterment of everyone."
- Ben Fulford Report: confirmation from MI6 covid 'road map' leaked from Canada was genuine.

#### 5. Canada's Bio-weapons Labs, CCP and Chinese-Canada Dr. Tam

- "It will be really important for people to have for travel purposes, perhaps for work purposes, for going to theaters or cinemas or any other places where people will be in closer physical contact when we get through the worst of the pandemic, so, yes, that will be essential for people to have that."
- Why has Canada been forced into lockdown? Trudeau says will continue for another 18 months until a vaccine is available
- The isolation and quarantine of healthy asymptomatic people, instead of those who are ill, symptomatic or have been exposed, is without precedent in public health history. It has turned epidemiological principles upside down. There is no scientific or historical basis for the lockdown

- It's primary basis is the Gates/WHO agenda - pushing for extended lockdown to prevent the timely acquisition of broad 'herd immunity' so that the new coronavirus vaccine can be forced on everyone.
- Why is the Trudeau government ignoring advice of Canada's own experienced doctors & scientists

  - Engineered "novel coronavirus" okay for Europeans - according to P3 Freemason sources
  - Nazi neocons - G.W. Bush Jr. said in their *Project for the New American Century* manifesto that ethnic-specific bio-weapons would be a "useful political tool."
  - Huge anti-China campaign mounted after secret talks fail between Eastern and Western secret societies
  - The attack on China is using a combination of bio-weapons, propaganda and economic warfare according to multiple sources. This campaign is being conducted in tandem with an effort to create mass starvation in India and Africa.
-

  - Trump informed the Chinese that the U.S. had arrested three individuals in connection with the bioweapon attack on China, including 60-year old Dr. Charles Lieber, Harvard University Chairman of the Department of Chemistry and Chemical Biology
  - Insider trading double-play like 9/11, also done by the Zionists (MEGA Group) who benefited in the City of London, Wall Street, and Hong Kong and Tokyo stock exchanges
  - This pandemic is being staged to provide cover for the cut off of credit (and thus deficit-financed imports) that the U.S. is experiencing right now
  - Globalist Wage Biological Warfare to Combat Great Awakening - Bill Gates "prediction", 33 million dead within 6 months due to a Coronavirus outbreak emanating from a Chinese market
  - World Bank sold "Pandemic Bonds" at least \$330m US - some outlets suggesting as much as \$425m

  - Top Russia Intelligence Report: Kvachkov - Same behind-the-scenes world powers created the events of September 11, 2001 needed another excuse for greater control and takeover of humanity
  - The Coronavirus and the financial crisis that has emerged almost immediately - they’re inextricably tied to one another
  - The first goal of the behind-the-scenes Zionist and financial liberal world powers is to reduce the population numbers on Earth. That’s their satanic goal.
  - The second political goal is to seize power with the aim of limiting the political rights that people are basically accustomed to having
  - Third goal is related to finances and power over the economy - goal is the financial deflation of that gigantic financial bubble. The Federal Reserve System, literally in February 2020, introduced a zero percent interest on deposits. Now, in many countries, it’s even a negative interest rate - you deposit 100 dollars & you get 90 or 95 dollars. But at least you’re still going to get it.
  - It is perfectly obvious that, the Chinese scientist have figured this out the RNA molecule, not DNA - they have RNA - and there’s a part of the genome that’s clearly been carved out and another one inserted in its place- and this happens 3 or 4 times. it was artificially created and purposefully spread - initially in Wuhan. They had two kinds, two viral strains
  - You have pro Chinese (patriotic) faction, which is associated with Xi Jinping , then you have Chinese gangs with (pro-American ex-Komsomol (Zionist)) members that are money-oriented. Their focus on the Money & tried to use the Coronavirus in Wuhan to gain certain economic & political benefits
  - Chinese biological lab in Wuhan, Wuhan National Biosafety Lab, is owned by GlaxoSmithKline
  - Glaxo merged with controlling stakes (68%) in Pfizer, which developing a CoVID-19 vaccine
  - Pfizer finance funds are managed by Black Rock who manages both Pfizer (8%) & AstraZeneca (6.8%), with a CoVID-19 vaccine.
  - The CEO of Black Rock, coincidentally, has a strong commitment to re-shaping the future of finance in light of coming climate risk and policy, and has "joined with France, Germany, and global foundations to establish the Climate Finance Partnership".
  - BlackRock, has a partnership with Thomson Reuters – multi-national media conglomerate - has created within its editorial department to "Fact Check" information on social media.
  - Black Rock also manages the finances- Funds of Open Foundation Society of George Soros, who manages the interests of the German branch of Swiss founded company Winterthur Group.
  - Coincidentally, Winterthur bought & merged with French multi national insurance firm Axa in 2006.

- France China Relationship and the P4 WUHAN LAB – PART OF PANDORA’S BOX with big western & CCP elite partners:
- Founder & Designer of Pandora’s box: Jiang Zemin, CEO of Pandora’s box: Jiang Mianheng, First footman of Pandora’s box: Hu Jintao, Second footman of Pandora’s box: Xi Jinping, Backstage manipulator of Pandora’s box: Wang Qishan

- Chinese Communist Party (CCP) has been infiltrating the WHO to plan for an epidemic like Covid19, because world governments take preventative measures based on the WHO's assessment
- WHO: Tedros Adhanom handpicked by CCP & W. Qishan gave him Chinese name "Tan Saide"

Hong Kong imposed martial law without an official announcement. Because Wang Qishan said, "Hong Kong's economy can't stand it, the country's economy can't stand it," he said. "the political cost is too high."
- Feb 2020: The battle between Wang Qishan and Xi Jinping has started. Xi realized that he was fooled by Wang, Jiang, Meng, Zeng, Zhu.
- However, this is a part of Nanputuo Plan; the real power stays within these families. Xi can't even hold the Two Session meeting - it was cancellation this year
- The Chinese Communist Party encourages research on biochemical weapons to use against the US. - However, it was used on the Hong Kong protest movement. But it lost control, and now it went back to China, to Wuhan Hubei. It has spread to Beijing, and it will continue to spread to entire China and the world.
- Wang Qishan, Jiang's family, and Yang Jiechi suggest Xi Jinping spread this virus to the world, so the West will not have the energy to against us. If the rest world is infected with this disease, they'll help us to solve this chaos. Our economic problems are also their economic problems
