

The Real War

For the last three years we have become divided between Republican and Democrat. This has been a successful tactic to distract us from the real enemy. As Hannity said, "this is no longer a conspiracy theory but a conspiracy fact". We call them the Deep State (Public officials controlled by the Elite started in the 1800's), Elite (corporate and celebrity people controlled by a Cabal of thirteen families), Three of the "thirteen families" in the Cabal which control the United States. This is not a conspiracy local only to the US but is worldwide. The Cabal's goal is a one world government. Their methods are to divide a population against itself, establish a one party government, have the government totally regulate the wealth of the nation (socialism) and establish a totalitarian government. A group of military, civilians and government employees banded together in the 50's to fight this conspiracy. It wasn't until 2005 they gained enough strength to be effective. They became known as the Alliance. This Alliance is not headed up by Donald Trump but he is the face of it we see. "Draining of the swamp" is the term coined for trying to remove the Cabal-controlled government employees from office and replace them with people who want to help others instead of lining their pockets. Unfortunately, a majority of our representatives in DC are controlled by the Cabal (republican and democrat). They are controlled by receiving the office and money in exchange for doing what they are told. What they are told to do usually involves something illegal for which they are blackmailed into doing more illegal acts. Make no mistake! The democrats do not hate Trump. They are acting as directed out of a stronger emotion, FEAR. They are fighting for their lives! The Cabal has chosen to divide us along these lines and have been successful. The way the Alliance is trying to be successful is 1-to provide executive orders, 2-replace and install judges, 3-investigate and indict, 4-arrest and convict. The first three have only recently been accomplished. The fourth is so extensive it could cause a national panic. The Alliance is letting the general public awaken to the reality of the Cabal so there is no civil war when so many high ranking people are arrested. If Trump does not win in 2020 it will mean a legal defeat of the Cabal is not possible. If you want to know who is controlled by the Cabal and who isn't we are about to receive a list. Those who vote for impeachment when there is no cause can be doing so only because they are incompetent or told to. The Republicans who stand around and do not support the president are also following orders.
